### Introduction

Instead of me constantly trying to explain where I'm coming from whenever I write my articles, why not just assume my audience understands that and write the articles in a much simpler way? All the articles will have a introductory disclosure that requires that the reader must first understand said template and the motivation behind creating the said template.

Just like any template, it's simpler because you already have a framework that your operating with.

IReligion.io

```
public IMarsingArticleTemplate<TMat_10_34> Mat_10_34 { get; set; }
```

...

How would I rewrite the article (#1530) using the Marsing Templated Approach. First I need to create the template.

ToDo:

- go through the Marsings-Rules-and-Key-Definitions and scavenge from it and/or compare to it
- How would you codify this i.e. enhance with
- Think about how to present this e.g.
  - Venn diagram of terms
  - tree hierarchy
  - Math expressions
  - Folders and Tags
- 

**Salvation**

**TH1C (Two House One Covenant)**

**Jacob's Trouble (the actual biblically defined problem???)**

**Worship (is an outcome of your goals which are to seek blessings and be blessed)**

**Jurisdiction**

**Role Nation of Priest and Kings**

**TGC (Torah Gated Community**

**Peace Agreement**

**Authority**

**Attitude (boldness based on my faith) vs. pathetic (hiding behind abstractions)**

**Higher Order of Agreements**

**Contracts → Covenants**
