## Introduction

<sup>A</sup> Reviewing Glenn McWilliams' (GM) notes on Parasha 43.1 (Num 25:10 – 26:51) I was searching Prince of Peace (a point that GM hadn't brought up) and I got this verse. While searching the relevance of this verse I was struck by the word **policy** H7922 – Sekel (Seen + Kaf + Lamed). I was wondering if there was an Edenic connection to **secular**? In the secular world, the government agencies are always state they are doing this or that “**according to our policy**”.

This document is an exhaustive list of the root se•k•el *sin/sheen* ש Kaf כ Lamed ל

## Dan 8:25

<sup>5</sup> And through his **policy** <sup>H7922 sekel</sup> also he shall cause craft to prosper in his hand; and he shall magnify *himself* in his heart, and by peace shall destroy many: he shall also stand up against the Prince of princes; but he shall be broken without hand.

## Gen 3:6

<sup>6</sup> And when the woman saw that the tree *was* good for food, and that it *was* pleasant to the eyes, and a tree to be desired to make *one* wise, <sup>H7919</sup> she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.
